

**Price guide for photographing artwork in the local North Devon area.
Please do not ask for a quote if you live further away.**

Note: this is a rough guide for standard pieces, anything demanding more time e.g. very large work or art needing both front and back lighting will incur a greater cost which will be agreed before the photographic work begins.

- **Flat 2D** work photographed for print (up to 30x40cm as high quality tiff image file) and/or publicity postcard etc publicity (these images will also be sized as 1mb jpgs and for website) **price for 10 = £100 or £15 each**
- **Archival pigment ink prints** on Epson archival matt A3 paper **£10 each**
- **Small 3D** work photographed for print (up to 30x40cm as high quality tiff image file) and/or publicity postcard etc publicity (these images will also be sized as 1mb jpgs and for website) **price for 5 = £100 or £25 each**
- **Large 3D** work photographed for print (up to 30x40cm as high quality tiff image file) and/or publicity postcard etc publicity (these images will also be sized as 1mb jpgs and for website) **price for 5 = £150 or from £30 each**
- **If the artwork no longer exists**, or has been sold and you would like me to enhance photographs that you have taken for magazine publicity (as 1mb jpg) and/or for a website (sized as directed) **price for 5 = £50 or £15 each** – note these are not fine print quality!

I will also give discounts on greater quantities of similar work if it is available to photograph all together, for an exhibition etc.
